

Student Evaluation of BHSS Practicum Site

This evaluation reflects the experience of a BHSS practicum student at an assigned practicum site. The purpose of this evaluation is to provide constructive feedback regarding supervision, training, site resources, and overall learning environment.

Site Overview

The practicum site provided a professional clinical environment appropriate for BHSS training.

Please rate the following statement using the scale below by selecting a number:

1 = Strongly Disagree 2 = Disagree 3 = Undecided 4 = Agree 5 = Strongly Agree

Comments:

Clinical Supervision

Clinical supervision was consistently available and supported my professional development.

Please rate the following statement using the scale below by selecting a number:

1 = Strongly Disagree 2 = Disagree 3 = Undecided 4 = Agree 5 = Strongly Agree

Comments:

Training and Learning Opportunities

The site offered meaningful opportunities to apply BHSS knowledge and skills in practice.

Please rate the following statement using the scale below by selecting a number:

1 = Strongly Disagree 2 = Disagree 3 = Undecided 4 = Agree 5 = Strongly Agree

Comments:

Support and Professional Climate

The site fostered a supportive, ethical, and inclusive professional environment.

Please rate the following statement using the scale below by selecting a number.:

1 = Strongly Disagree 2 = Disagree 3 = Undecided 4 = Agree 5 = Strongly Agree

Comments:

Resources and Facilities

Facilities and resources were adequate for the provision of BHSS services.

Please rate the following statement using the scale below by selecting a number:

1 = Strongly Disagree 2 = Disagree 3 = Undecided 4 = Agree 5 = Strongly Agree

Comments:

Overall Evaluation

Overall, this practicum site provided a valuable learning and training experience.

Please rate the following statement using the scale below by selecting a number:

1 = Strongly Disagree 2 = Disagree 3 = Undecided 4 = Agree 5 = Strongly Agree
